

FORTI-MIN + ZINC OXIDE TS-99

Product Specification Sheet

PRODUCT DESCRIPTION

A specially formulated mineral concentrate powder. Contains zinc (Zinc Oxide TS-99*), essential minerals (calcium, magnesium and sodium) and sweetener for palatability and increasing intake. Suitable for feeding to dairy cows during summer and mid-lactation.

INGREDIENTS

Lime flour, salt, magnesium oxide, zinc oxide and flavours

TYPICAL NUTRITIONAL ANALYSIS

Dry matter	95%
Calcium (elemental)	18.2%
Magnesium (elemental)	5.5%
Sodium (elemental)	9.7%
Zinc (elemental)	10.1%

FEEDING RECOMMENDATION

Introduce Forti-min + Zinc Oxide TS-99 slowly before facial eczema risk has peaked. Feed only at the inclusion rate as per the total feed rate on the above table.

Do not feed less than the minimum rate unless the herd is meeting its zinc requirements from other sources e.g. ZinMol.

TOTAL FEED RATE KGS/ COW/DAY	FORTI-MIN + ZINC OXIDE TS-99 INCLUSION RATE (%)	FORTI-MIN + ZINC OXIDE TS-99 FED (GRAMS)
2kg	5.0%	100gms
3kg	3.5%	105gms
4kg	2.5%	100gms
5kg	2.0%	100gms
6kg	1.8%	105gms
7kg max	1.5%	105gms

IMPORTANT NOTES

Do not allow access to other zinc products unless the combined zinc intake is recommended for facial eczema prevention. Do not exceed the maximum rate as overdosing may result in zinc toxicity. Zinc requirements will be relative to iron and copper intake.

STORAGE

Store in a dry area and ensure all precautions are taken to store away from bird and rodent infestation.

DISTRIBUTOR

Agrifeeds™, PO Box 627, Hamilton 3240,
Level 1, 19 Home Straight, Te Rapa, Hamilton

*Zinc Oxide TS-99 is registered pursuant to the ACVM Act 1997, No. A010933, as an aid in the prevention of facial eczema in cattle and sheep.

DECLARATION

Agrifeeds™ makes the following declarations in respect of the animal feed described in this specification sheet. Each of the declarations is given on the basis of Agrifeeds™ knowledge at the time of issue of this specification sheet and in reliance that third parties, who supply ingredients and provide mixing/manufacturing services to create the feed, have complied with Agrifeeds™ animal feed safety requirements.

- Does not contain ruminant protein and is suitable for feeding to lactating dairy animals.

THIS PRODUCT DISCLAIMER RELATING TO USE MUST BE READ AND UNDERSTOOD

Whilst this product meets the quality standard for an animal feed supplement marketed in New Zealand, the farming environment in which this product is used and how this product is used is beyond the control of Agrifeeds™. The use and application of this product requires a proper level of skill and understanding of good farming practices for the feeding and care of dairy animals.

It is a condition of sale that the purchaser of this product is solely responsible either directly or by way of supervision for its proper, skilled and informed use or application in the farming environment.

Agrifeeds™ and its sales agents are neither responsible nor liable for the improper or inexperienced or uninformed use or application of this product and disclaim all and any liability to the fullest extent at law for any direct or indirect, special, or consequential loss, damage, or any other claim or liability of whatsoever nature including but not limited to results obtained, animal impairment, injury or death arising out of or flowing from such improper or inexperienced or uninformed use or application of this product in the farming environment.

All statutory, regulatory and common law warranties, guarantees, duties and any other obligations of whatsoever type or nature inconsistent with the above including but not limited to those under the Sale of Goods Act and the Consumer Guarantees Act are to the necessary and fullest extent excluded.
