

FORTI-MIN CALF

Product Specification Sheet

Forti-min Calf is a specially formulated premix concentrate containing minerals, flavours, sweeteners, health aids (Coccidiostat-Bovatec) and performance enhancers (Vistacell Live Yeast).

Contains essential macrominerals - Calcium, Phosphorus and Salt (Sodium) - and essential microminerals - Zinc, Copper, Cobalt and Iodine. Sweeteners and flavours help to improve taste and intake by calves. Coccidiostat (Bovatec), aids in control of coccidiosis. Vistacell Live Yeast increases dry matter and fibre digestibility which enhances energy supply for better calf growth and feed conversion efficiency.

PRODUCT INGREDIENTS: Contains ingredients selected from Limeflour, Salt, Di-Calcium, Phosphate, Microminerals and Vitamins, Flavours, Vistacell Live Yeast, Coccidiostat-Bovatec.

TYPICAL NUTRITIONAL ANALYSIS

Dry Matter	95%
Protein	<1%
Energy (ME)	<1 MJ/kg DM
NDF* level	<1%
Starch	<1%

FEEDING RECOMMENDATION

Feed exactly 50kgs of Forti-Min Calf per tonne (5%) of finished calf feed. Ensure this is precision blended and not just top-dressed. Do not change inclusion rate (more or less) without seeking professional advice. Forti-min Calf is suitable for Calf Starter (20% protein) and Calf Finisher (16% protein) formulations specifications but not for any other species.

IMPORTANT NOTES

Contains Bovatec, do not feed to any stock other than calves. Keep away from dogs and horses.

STORAGE

Store in a dry area and ensure all precautions are taken to store away from bird and rodent infestation.

DISTRIBUTOR

Agrifeeds™, PO Box 627, Hamilton 3240,
Level 1, 19 Home Straight, Te Rapa, Hamilton

*NDF = Neutral Detergent Fibre, as % of concentrate diet.

DECLARATION

Agrifeeds™ makes the following declarations in respect of the animal feed described in this specification sheet. Each of the declarations is given on the basis of Agrifeeds™ knowledge at the time of issue of this specification sheet and in reliance that third parties, who supply ingredients and provide mixing/manufacturing services to create the feed, have complied with Agrifeeds™ animal feed safety requirements.

- Does not contain ruminant protein and is suitable for feeding to lactating dairy animals.

THIS PRODUCT DISCLAIMER RELATING TO USE MUST BE READ AND UNDERSTOOD

Whilst this product meets the quality standard for an animal feed supplement marketed in New Zealand, the farming environment in which this product is used and how this product is used is beyond the control of Agrifeeds™. The use and application of this product requires a proper level of skill and understanding of good farming practices for the feeding and care of dairy animals.

It is a condition of sale that the purchaser of this product is solely responsible either directly or by way of supervision for its proper, skilled and informed use or application in the farming environment.

Agrifeeds™ and its sales agents are neither responsible nor liable for the improper or inexperienced or uninformed use or application of this product and disclaim all and any liability to the fullest extent at law for any direct or indirect, special, or consequential loss, damage, or any other claim or liability of whatsoever nature including but not limited to results obtained, animal impairment, injury or death arising out of or flowing from such improper or inexperienced or uninformed use or application of this product in the farming environment.

All statutory, regulatory and common law warranties, guarantees, duties and any other obligations of whatsoever type or nature inconsistent with the above including but not limited to those under the Sale of Goods Act and the Consumer Guarantees Act are to the necessary and fullest extent excluded.
