

GROWER 20[®]

Product Specification Sheet

PRODUCT DESCRIPTION

Grower 20 is a 20% protein calf starter feed blended from quality ingredients. Suitable for calves on milk to stimulate rumen development. This unique formulation will support early feed intake.

INGREDIENTS SELECTED FROM

Biscuit Cereal Meal, Wheat, Kibbled Maize, Barley, Distiller's Grains with Solubles, Palm Kernel Expeller, Soybean Meals, Canola Meal, Soy Hull Pellets, Molasses, Limeflour, Salt, DCP, Micro Minerals and Vitamins, Milk Protein Powder, Flavours, Vistacell Live Yeast, and Coccidiostat Bovatec[®].

Contains safe starch levels making it suitable for ad lib feeding. Contains molasses, sweeteners and flavours to improve taste and intake by calves. Contains Vistacell live yeast for improved dry matter and fibre digestibility increasing energy supply for calf growth.

TYPICAL NUTRITIONAL ANALYSIS

Dry Matter	89%
Protein	20%
Energy (ME)	12.2 MJ/kg DM
NDF* level	31%
Starch	10%

FEEDING RECOMMENDATION

Offer Grower 20 from four days old, feeding ad lib. Keep calves on starter feed until they are eating 1kg per day alongside milk. Switch to Grower 16 once you have weaned calves off milk. Ensure there is ad lib access to clean, fresh, non-fouled water.

IMPORTANT NOTES

Contains Bovatec, do not feed to any stock other than weaned calves. Keep away from dogs and horses.

STORAGE

Store in a dry area and ensure all precautions are taken to store away from bird and rodent infestation. Do not allow this feed to get wet.

DECLARATION

Agrifeeds™ makes the following declarations in respect of the animal feed described in this specification sheet. Each of the declarations is given on the basis of Agrifeeds™ knowledge at the time of issue of this specification sheet and in reliance that third parties, who supply ingredients and provide mixing/manufacturing services to create the feed, have complied with Agrifeeds™ animal feed safety requirements.

- Does not contain ruminant protein and is suitable for feeding to lactating dairy animals.
- Has been processed in a plant dedicated to the production of plant based products only.
- Has been inspected after processing in accordance with appropriate official procedures, and found free from contamination by any unprocessed plant material, vermin, birds, fecal material/ other animal products.
- Consignments are imported in accordance with the Ministry for Primary Industries (MPI) standard for the Importation of Processed Animal Feeds of Plant Origins.
- The product in this product specification sheet meets all requirements under NZCP1 Code of Practice.
- Agrifeeds™ have one up traceability with the product named in this product specification sheet.
- PKE is a mechanically extruded product. Agrifeeds™ screen and magnetise product prior to loading at origin. While this significantly reduces the risk of metal contamination within PKE, it does not mitigate this risk entirely. Agrifeeds™ wish to declare this and believe the risk to be minimal.
- Product best used within 3 months of manufacture date.

THIS PRODUCT DISCLAIMER RELATING TO USE MUST BE READ AND UNDERSTOOD

Whilst this product meets the quality standard for an animal feed supplement marketed in New Zealand, the farming environment in which this product is used and how this product is used is beyond the control of Agrifeeds™. The use and application of this product requires a proper level of skill and understanding of good farming practices for the feeding and care of dairy animals.

It is a condition of sale that the purchaser of this product is solely responsible either directly or by way of supervision for its proper, skilled and informed use or application in the farming environment.

Agrifeeds™ and its sales agents are neither responsible nor liable for the improper or inexperienced or uninformed use or application of this product and disclaim all and any liability to the fullest extent at law for any direct or indirect, special, or consequential loss, damage, or any other claim or liability of whatsoever nature including but not limited to results obtained, animal impairment, injury or death arising out of or flowing from such improper or inexperienced or uninformed use or application of this product in the farming environment.

All statutory, regulatory and common law warranties, guarantees, duties and any other obligations of whatsoever type or nature inconsistent with the above including but not limited to those under the Sale of Goods Act and the Consumer Guarantees Act are to the necessary and fullest extent excluded.
