

PRO BLEND TRANSITION ESSENTIALS

Product Specification Sheet

PRODUCT DESCRIPTION

This blend is specifically designed for transition springer cows nutritional requirements. Containing Tranzsol™ Complete and is formulated to be the easiest and best transition supplement for New Zealand dairy cows. Along with the calcium, magnesium and salt cows need, it incorporates antioxidants, magnesium and, most importantly, Rovimix Hy-D. This combination allows cows to safely transition, even when consuming pasture. Tranzsol is formulated for diets containing approx. 50% pasture and 50% silage concentrate mix, however it can still be fed with all pasture diets.

INGREDIENTS SELECTED FROM

Biscuit Cereal Meal, Kibbled Maize, Tapioca, Corn Distiller's Grains with Solubles, Corn Gluten Feed Pellets, Sunflower Pellets, Crude Soyabean Meal, FeedXTRA, Palm Kernel Expeller, Molasses, Soya Hull Pellet, Vitamin A, Vitamin E, Vitamin D3, Iodine, Zinc, Rovimixâ Biotin, Rovimix Hy-D, Lasalocid, Calcium, Cobalt, Copper, Selenium, Magnesium, MOS, Sulphate and Chloride.

TYPICAL NUTRITIONAL ANALYSIS

Dry Matter	88 - 89 %
Energy	10 - 11 MJ/kgDM
Crude Protein	11 - 12 %
Neutral Detergent Fibre	40 - 50 %
Sugar	8 - 9 %

FEEDING RECOMMENDATION

This blend is designed to be fed to transition springer cows prior to calving and can be fed through the colostrum period. Start when cows begin to show signs of springing (typically 14 days before calving) and continue into the colostrum herd. Must be fed at a 4kg/day/cow rate and no more than 6kg of pasture should be fed in this diet.

IMPORTANT NOTES

This blend is part of a Transition program that should be supported by your Nutritionist or Nutritional adviser. Keep away from dogs and horses.

STORAGE

Store in a clean, dry, covered area and ensure all precautions are taken to store away from bird and rodent infestation. Do not allow feed to get wet.

DECLARATION:

Agrifeeds™ makes the following declarations in respect of the animal feed described in this specification sheet. Each of the declarations is given on the basis of Agrifeeds™ knowledge at the time of issue of this specification sheet and in reliance that third parties, who supply ingredients and provide mixing/ manufacturing services to create the feed, have complied with Agrifeeds™ animal feed safety requirements.

- Does not contain ruminant protein and is suitable for feeding to lactating dairy animals.
- Has been processed in a plant dedicated to the production of plant based products only.
- Has been inspected after processing in accordance with appropriate official procedures, and found free from contamination by any unprocessed plant material, vermin, birds, fecal material/ other animal products.
- Consignments are imported in accordance with the Ministry for Primary Industries (MPI) standard for the Importation of Processed Animal Feeds of Plant Origins.
- The product in this product specification sheet meets all requirements under NZCP1 Code of Practice.
- Agrifeeds™ have one up traceability with the product named in this product specification sheet.
- PKE is a mechanically extruded product. Agrifeeds™ screen and magnetise product prior to loading at origin. While this significantly reduces the risk of metal contamination within PKE, it does not mitigate this risk entirely. Agrifeeds™ wish to declare this and believe the risk to be minimal.

THIS PRODUCT DISCLAIMER RELATING TO USE MUST BE READ AND UNDERSTOOD

Whilst this product meets the quality standard for an animal feed supplement marketed in New Zealand, the farming environment in which this product is used and how this product is used is beyond the control of Agrifeeds™. The use and application of this product requires a proper level of skill and understanding of good farming practices for the feeding and care of dairy animals.

It is a condition of sale that the purchaser of this product is solely responsible either directly or by way of supervision for its proper, skilled and informed use or application in the farming environment.

Agrifeeds™ and its sales agents are neither responsible nor liable for the improper or inexperienced or uninformed use or application of this product and disclaim all and any liability to the fullest extent at law for any direct or indirect, special, or consequential loss, damage, or any other claim or liability of whatsoever nature including but not limited to results obtained, animal impairment, injury or death arising out of or flowing from such improper or inexperienced or uninformed use or application of this product in the farming environment.

All statutory, regulatory and common law warranties, guarantees, duties and any other obligations of whatsoever type or nature inconsistent with the above including but not limited to those under the Sale of Goods Act and the Consumer Guarantees Act are to the necessary and fullest extent excluded.
